Dear Parents/Guardians,

Thank you for taking up the opportunity for your child to attend camp and for your quick response to our initial letter.

Based on the numbers attending camp, the cost will be \$255 per child. This cost includes travel on buses with seat belts, accommodation, all meals, (except for lunch on the first day) and the penguin parade on the first evening.

Initial deposits should now have been paid and you are welcome to pay the rest in full, or in installments, at any time. The school has both B-pay and card facility for your convenience.

Can we please remind you that final payments need to be made by Friday August 23 2013.

Thank you

The 3 /4 team
