MISSION

Morang South Primary School is a committed and unified partnership of teachers, parents and children. We value diversity and strive for excellence. We are committed to providing a high quality education in a cooperative, caring and safe environment. Children are encouraged and challenged to reach their full potential.

FROM THE PRINCIPAL

Welcome back to school everyone. An extra special welcome to our new families! We are sure you will enjoy being part of the Morang South Learning Community.

We really have had an impressive start to the year. The grades are settled and focussing on their learning.

Our preps have made a great start on their Primary School journey at MSPS!

Everyone seems to have had a very relaxing holiday and there has been lots of talk and sharing of experiences amongst the children and the staff about their holidays.

I feel very confident that we will have another exciting and productive ‘learning’ year at Morang South.

A huge thank you to you all for how you have supported your children to make sure that they have sufficient “brain” food and water to ensure they can get through to second lunch without having to eat the ‘snack’ food which doesn’t assist their learning.

Our students look fantastic in their uniforms! It certainly gives them a sense of belonging to our great school.

Many of you will know that the children’s teachers and their rooms were well prepared for the commencement of the students. You will have seen the many cars in the car park during the final week of holidays as the teaching staff worked hard to make these preparations. I’d like to congratulate the staff for their professionalism and thank them for the time they have taken to ensure all was ready for our students – new and returning!

VISION

Our vision for Morang South Primary is to become a vibrant learning community where all members are challenged and empowered to strive for and celebrate personal excellence and continuous growth. The children will become positive, compassionate, able, creative, confident thinkers, and life long, socially responsible learners equipped to thrive in and shape the future of our evolving global society.
The teachers are again allowing the children to eat fruit during the long sessions and the children are really enjoying this and responding well. This focus on eating and drinking to support our learning is a wonderful feature of our school.

Once again we have asked the Preps not to bring disposable packaging to school. This year we are asking our prep to fours to continue the habit of not bringing disposable packaging. There are a variety of containers easily into lunch boxes to enable lunches to be package free. I’d like to congratulate the many other families who have voluntarily chosen to join us in this pursuit of a more environmentally friendly school. Thank you.

I have included a list of important dates, a list of the staff and their roles and a school map in this newsletter for your information. I hope you will find these useful and retain them to assist you when you need to contact a staff member or find a room.

Once again this year Jenny Tollit will be our Office Manager Leanne Roberts remains our Business Manager, and Mary-Anne Pollock remains our First Aide Officer and will continue to run our expanding Language Support Program. Deb Powell will also spend some time working in our office area and work in our English as an Additional Language program. We are always looking to offer staff opportunities for multi-skilling and to improve our efficiency and processes, so if you have some feedback or suggestions for us, please contact us.

Due to the continued success of our PREPIC program, we are running this transition to prep program once again. The program will remain in room 18. This is an exciting program and will support ten children with Special Needs to have an opportunity transition to mainstream schools. Sam Jones and Nicole Turner are running this program this year. At the end of this year we will have provided our program and supported fifty children with Special Needs to successfully commence their path through Primary. As a community we are very proud of this program!

On Monday February 24th we will be officially presenting our School Captains and House Captains with their badges. Our student leaders are an important part of our school and we congratulate them all on their appointments.

School Council Elections and Meeting

At Morang South we have a really wonderful School Council.

I have included the Notice of Election and the Call for nominations for School Council in this Newsletter.

Nominations close Friday February 14th.

The final meeting of the 2013 School Council, the Annual General Meeting, where the Annual Report will be presented and the First meeting of the 2014 School Council will be on Wednesday March 26th commencing at 7:30 p.m. in the staffroom. We hope lots of you will come along.

This year there are four parent vacancies for elected representatives on School Council and two DEECD (staff) vacancies.

If you would like to nominate for one of the routine vacancies or be coopted to the community vacancies for School Council, you can call at the office for a nomination form or if you wish to know more about the

A Few other reminders

- **School Arrival Times**
  
  Please ensure that your children do not arrive at school preferably, before 8:45 and certainly not before 8:30 in the mornings. We have staff on duty from 8:45 until 9:00.

- **Riding Bikes and other “wheeled” items to School**
  
  We are very happy for children to ride their bikes and wheeled objects to school. However, they must wear a helmet and must not ride their bike in the school grounds before or after school. If they don’t adhere to these two requests they will be unable to bring their bike or “wheeled item” to school.

- **Student Dress Code**
  
  Please familiarise yourself and your child/children with the student dress code sent home with this Newsletter. It was updated after extensive community consultation. It has been ratified by School Council.

  Please remember when purchasing items they need to conform to the dress code.

  If your child is not in uniform they need to bring a note of explanation.

  While the grade six children are allowed to wear black trousers and shorts they need to be logo and stripe free and conform to the Dress code.
As we are a **Sun Smart** school, in **Term 1** and until the end of **April in term 2**, it is compulsory for the children to wear a hat when in the playground. This includes during PE. Please ensure that your child has a school hat. It is a good idea for them to leave it in their bag overnight then they will have it at school each day.

By following the dress code families are demonstrating **respect** for our school and acknowledging their commitment to our learning community.

Please make sure all items of clothing are **named with both first and last names**. Any lost items will be returned if named and at the end of each week, any un-named clothing will go to our second-hand uniform shop.

**Education Requirement & Payments**

The ordering and distribution of booklist materials went smoothly again this year. Thanks to Leanne’s fine organisation and your cooperation and patience. BPAY and EFTPOS are working very well. Thank you for your great feedback.

We are constantly working on improving the system. I would like to thank all of the office staff but particularly Leanne Roberts, who worked so hard to ensure that everyone received their required materials in an efficient manner. Leanne’s organisation and lateral thinking improves the process every year.

At Morang South we provide the students with a comprehensive and varied curriculum. I am sure that you will understand that it is imperative that we receive the amounts we have set for our 2014 requirements.

These funds are vital for your child/children and us. Some members of the broader public are of the opinion that education is ‘free’. In an ideal world we would all like this to be so. However, we are living in a world where there are many competing needs for the tax dollars. The Government clearly states that ‘tuition’ (teaching) is free but families are expected to **pay for books, paper and the myriad of other consumables the children use in their programs at school**.

Thank you, to those of you who have already paid the required amounts or have seen Jenny or myself about a payment plan. We would appreciate it if those families who have not paid the requested amount at this stage would do so as soon as possible, particularly those with children in Prep where the children’s materials are purchased in bulk.

**Thank you for your support in this! We appreciate your cooperation and the respect you have for your child’s learning and our school programs.**

As most of you will know, we **email our Newsletter**. If you would like a **hard copy of the Gorge News**, there will be some available in the **foyer for collection** by you or your child.

Please remember that we love to have parents helping in the classrooms and if you have any worries or concerns, please let us know straight away.

You are welcome to see me if you wish to discuss the issues I’ve written about today. I would appreciate feedback as to whether you find the information useful.

Keep up that life long learning!

Julie Jones

**WORKING WITH CHILDREN CHECKS**

For all grade Prep to 2 parents and carers, a current Working with Children Check **is required**, if you volunteer your time at the school or will be attending any excursion or any program that the school is organising.

All other grade level parents and carers who volunteer in the school including attending excursions are encouraged to have a current Working with Children Check.

Forms are available from Australia Post and as a volunteer; the only cost to you would be the cost of a current passport photograph. Should you require any further information please contact your local post office.

Please bring your working with children check card to the office where it will be copied and details recorded.

Principal 6/2/14

Notes

There are three possible categories of membership:

- **A mandated elected Parent category.** More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.

- **A mandated elected DEECD employee category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.

**An optional Community member category.** Its members are appointed by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.
At Morang South Primary there is a banking program for students to put their own money in their own bank account. All you have to do to sign up is to collect a form from school, fill it in and return it to school. Every Tuesday morning you send your child to school with their bank book. At 9:00am they go to the Before and After School Care room and get their pocket money banked.

With every deposit you earn a silver token and when you get 10 silver tokens you earn a gold token. When you earn a gold token you earn a prize like a squishy bouncy ball, smelly pencils, a swimming bag, pool toys a whale pencil case, animal key rings and a light up glass.

This is a great opportunity for your children to have money in their own bank account for when they turn 18 because they could buy a car or a house.

The financial benefits for participating schools include:
- $5 for every account activated through the School Banking program (i.e. for each student who banks through the school’s program for the first time)
- Five per cent of every deposit made at school (up to a maximum of $10 commission per individual deposit), or Minimum commission payment of $25 per quarter (provided at least one deposit or new account is received from the school per quarter)

So sign up!

On Wednesday 5th February our 2014 Prep students started their first day of school. Today, our Prepic students began their first day of school.

Some children were excited to start school, while others were a little nervous and scared. A few children were sad to be away from their parents. Some parents said that they were sad to see their child grow up and go into Prep. Other parents were relieved and happy.

The Prep teachers this year are Mrs Armet, Mrs Anderson, Mrs Nicholls and Ms Laidlaw who is the teacher of the Prep/One class.

We can inform you that the Preps had a great day and they all had fun and are excited to continue their school days and years.

2014 MSPS Classifieds are completely DIGITAL!

- The MSPS Classifieds will remain a feature of our school website: “Friends of Morang South PS.”
- We will continue to include a hyperlink on our very successful MSPS Facebook group to the MSPS Classifieds on our popular school website.
- All advertisements in the MSPS Classifieds will be in COLOUR.
- Businesses or groups who already hire our facilities (eg. Paringa Complex or our Killara Gym) receive 10% off each advertisement.
- If you choose to advertise for 10 consecutive months GET 1 month for FREE.
- The first 2014 edition of the MSPS Classifieds will be published Thursday 20th February.

What’s new in 2014?

The MSPS Classifieds are a Parents & Friends Association Fundraising initiative that will continue in 2014 with a few changes.

- A hyperlink to the MSPS Classifieds will now be emailed to everyone at the same time our Gorge News School Newsletter is emailed each fortnight. That is approximately 300 families and friends of Morang South Primary School. We will no longer send a Pdf file. Last year’s Pdf files were almost too large to email and it was a lengthy process creating a pdf document and webpage. It will be more efficient and easier for everyone to click a ‘link’ to view our MSPS Classifieds online.

- We have also revised and lowered our prices ‘per month’. We listened to all feedback offered last year and we believe the cost is very reasonable. The MSPS Classifieds aims to provide affordable local advertising.

- Prices per Month: (as of 6th February 2014)
  
  Business Card $5  ¼ Page $10  ½ Page $20  Full Page $40

  Or...

- Local organisations, clubs or businesses may choose to print their own brochures or pamphlets and MSPS will distribute these advertisements to our students and families.

Safer Internet Day is organised by Insafe (the European network for internet safety) in February of each year to promote safer and more responsible use of online technology and mobile phones, especially amongst children and young people across the world. Safer Internet Day’s theme, ‘Let’s create a better internet together’ will be used to promote positive digital citizenship across Australian communities. This event is supported in Australia by Cybersmart.

This year Morang South Primary School will be joining in! All grades will be completing activities promoting responsible use of online technologies.

CYBER SAFETY

In term 2, Tuesday 29 April 2014 MSPS has organised Cybersmart information presentations for students during the school day and parents in the evening. Please save this date in your diary.
Supervision before school

Parents are reminded that teachers are on yard duty from 8.45 am and that students who arrive at school prior to this time are not supervised. Any child who arrives without an adult before 8:30 am MUST go straight to the office. Children arriving at school earlier than this will be placed in Out of School Hours Care and you will be charged accordingly.
PRIMARY MUSIC INSTITUTE

KEYBOARD LESSONS

Significant academic research shows that instrumental music lessons can improve your child’s school results – including for reading, maths, coordination and confidence.

Thirty minutes per week of practice at home is all that is required to see substantial improvement in their musical ability!

New Enrolments are currently being accepted for Term 1, 2014.

Our small group lessons provide a fun and affordable opportunity to learn music.

Reminder for existing students: re-enrolment from one term to the next (including from one year to the next) is automatic so you do not need to send in a new enrolment form each term.
